

# ICT ACADEMY OF KERALA

## Summer Internship Report

### Full Stack Application Development with ReactJS

Name of Team Members

# **Name of Your Institution**

**XX.05.2023**

## **EXECUTIVE SUMMARY**

Provide a brief overview of your internship project, including its purpose, objectives, key activities, and outcomes.

## **INTRODUCTION**

Introduce the internship project, provide background information of the work, existing studies and specific context of the project.

## **OBJECTIVES**

Clearly state the objectives of your internship project, outlining what you aimed to achieve and the skills you intended to develop or enhance during the internship.

1. Lorem ipsum dolor sit amet
2. Consectetur adipiscing elit
3. Sed diam nonummy nibh euismod

## **SCOPE AND DELIVERABLES**

Define the scope of your project, detailing the specific tasks, activities, and deliverables that you were responsible for during the internship.

## **METHODOLOGY**

Describe the approach or methodology you followed to execute your project, including any specific techniques, tools, or frameworks that you utilized.

## **PROJECT ACTIVITIES**

Provide a detailed breakdown of the activities you undertook during your internship, describing the tasks you performed, the tools or technologies you used, and any challenges or obstacles you encountered.

## **RESULTS & FINDINGS**

Present the results and findings of your internship project, highlighting any key accomplishments, insights, or data analysis that you conducted. Include relevant graphs, charts, or visuals to support your findings.

## **CONCLUSION**

Summarize the main outcomes and learnings from your internship project, reflecting on how well you achieved your objectives.

## **APPENDIX**

Include any additional supporting documents, samples of your work, project artifacts, or reference materials that are relevant to your internship project.
